Teak Sink Tray

CONSTRUCTION and STANDARD FEATURES

- Sink tray of smooth, durable teak combines beauty with practicality.
- Designed specifically for the Metro Double sink.
- Can be used as a resting place for grooming articles and toiletries.
- Constructed of the finest grades of Burmese teak, not Plantation teak.
- Flat slatted teak mat lets water and soap run through, so there is no residue build-up.
- Unsurpassed quality and workmanship.
- Handcrafted and milled in America.

Environmentally Responsible

MTI uses only 100% U.S.-certified legal, reclaimed, sustainable teak. A replacement tree is planted 20 years before a tree is harvested. The teak used in MTI products is imported from reputable suppliers bordering Burma (Myanmar), hence the name Burmese teak. MTI suppliers observe all international laws regarding labor and conservation. All of the Burmese teak used by MTI is harvested from reclaimed forests and is absolutely not endangering or depleting rain forests.
